

Military Packaging Training

Feb 23-24, 2017
Ft. Lauderdale Beach

MIL-STD-2073-IE

MIL-STD-129R

ASTM-D-3951

Course Curriculum

- Intro to Military Packaging
- MIL-STD-2073: What It's All About
- MIL-STD-2073 Navigation
- MIL-STD-2073 Code Breakdown and Translation
- ASTM-D-3951
- Working Process for Warehouse
- Material Selection
- MIL-STD-2073 Quality Assurance Provision
- MIL-STD-129 Marking

An optional 2nd day for course participants interested in post-course, personalized, one-on-one problem solving sessions is available Friday, February 24. Learn bid consulting, FBO, DLA, SDR resolution process, and GSI.

As your organization gains knowledge and independence, MAJOR cost savings are realized and incorporated in the contractor pricing structure.

Want to Cut the Cost of Military Packaging?

Meet the Experts and Learn Industry Secrets

Quickly gain the ability to interpret MIL-STD-2073-IE and MIL-STD-129R as well as ASTM-D-3951 packaging in a highly cost effective manner. You will learn to train your staff on the fundamentals of packaging with easy-to-follow written instructions and illustrations. You will become able to comply with ANY military packaging specs cited in your U.S. government contracts. Increase profits and gain complete independence from third parties. On average, our clients have seen savings of more than 60 percent of their military packaging costs.

Join Us Feb. 23-24 in Ft. Lauderdale Beach

Fee: \$2,950 per person*

First Day Sessions: Check out our course curriculum

Second Day (Optional) Personalized Sessions: Ask us at Registration

*The program fee covers tuition, books, course materials, and meals

Join us for this unique one-day course at the luxurious W Hotel in Ft. Lauderdale Beach. For special discounts on nearby accommodations, visit our website for a list of hotels to help you make travel plans. Reserve your room today.

What You Can Expect

Take a complex subject and make it process-friendly for your entire staff. At the end of the course, you will be able to understand both military and commercial packaging and how to select the most cost effective materials. We take you through the process of contract review, code and method application, and product prepping for final shipment in one day. Control your own shipments from A-Z. Become you own compliance packaging facility and dramatically cut costs immediately.
